Please read the following information before completing the graduation process.

The purpose of the graduation process is to maintain the student's history throughout their academic career. This process will allow you to move a student's record on to the corresponding chapter for their continued education or makes them eligible for Alumni membership.

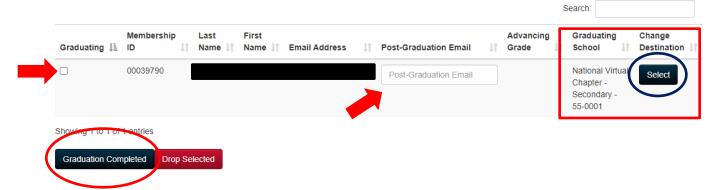

To complete this process, confirm the Graduating School of the students to the best of your ability. To modify a Graduating School, click on the **Select** button. Here you can select the city and chapter of which the student will be attending. If the student is graduating the 12th grade and is not continuing to a post-secondary institution affiliated with BPA, please select the **Move to Alumni** option and enter the student's post-graduation email. Then select **Confirm** to save changes.

Select all students who are graduating under the Graduating column. If a student is not advancing grades, do not select the student to graduate from the chapter. The unselected student will be retained on the chapter member roster.

Select the **Graduation Completed** button to save changes. If you have not completed the graduation process, please select **No** in the subsequent pop-up to complete the graduation process at a later time. If the graduation process is complete, select **Yes** to move on to the bulk editing process.

YOU WILL NOT BE ABLE TO BULK EDIT OR SUBMIT MEMBERSHIP UNTIL THE GRADUATION PROCESS IS COMPLETE.

- 8. Select the red "Edit Students" button on the Action buttons line to continue onto the Rollforward and Bulk Editing process.

 - If there is a student on the roster that will not be renewing their membership, select the "Drop" button to remove them from the chapter.
 - Once all information is verified, select the "Bulk Edit Complete" button.
